## What is Buford Foundation?

Buford Foundation is a small, grass-roots foundation whose purpose is to send kids from the Omaha/Lincoln area on a wilderness experience that will change their outlook on life. Camp Confidence is the name of our camp - and I know it changes the youth who are awarded the scholarships to attend.

Imagine the self-confidence that comes with this experience. Leaving family & friends for a 1 or 2 week adventure with people they've just met...working as a team to prepare meals & clean up after themselves. Seeing beautiful mountains, picturesque lakes & streams, visiting and camping at Yellowstone National Park. These are memories that no one can ever take away from the campers. These are experiences that we believe will make them better, more self-reliant adults.

Over the years, these young people have returned home to their families and teachers with better attitudes, higher self-esteem and better decision-making skills. No child pays to go to camp. We send only as many children as we have funds.

Buford Foundation is a 501(c)(3) non-profit organization (#82-0336644)
